

HC6 P27/P40/P65/P800

PRODUCT DESCRIPTION

- High performance pins with gas for steel, hard and pre-stressed concrete

PRODUCT PROMISE

Best-in-class pins, ensuring excellent success rate, even in the hardest substrates. Best recommended for overhead applications. Enable various applications

FEATURES AND BENEFITS

- 10 strip collation (suitable for 20 and 50 pin magazine) + 1 x Fuel Cell

APPROVALS

APPLICATIONS

- Hard Concrete and Steel

SUBSTRATES
